QUALIFYING CRITERIA IN TERMS OF VACANT RESIDENTIAL STAND REBATE.

As per Council approved tariff policy, 75% rebate may be granted on residential property on which a dwelling unit(s) is/are being constructed and which will be used exclusively for that purpose, subject to the following conditions :

i. That an approved building plan is supplied;
ii. That a residential dwelling unit(s) be constructed on the property;
iii. That the 75% rebate be granted for a maximum period of eighteen (18) months from the date the approved building plan was supplied;
iv. That the occupation certificate be supplied at the end of the eighteen (18) month period;
v. That the failure to supply the occupation certificate will result in a reversal of the 75% rebate already granted; and
vi. That in the event that the said property is sold prior to the issue of the occupation certificate, the rebate already granted be reversed.

I hereby confirm that the above-mentioned information is true and correct
